

REMARKS/ARGUMENTS

Favorable consideration of this application and entry of the present amendment is respectfully requested.

Claims 1-21 are currently pending in this application, Claims 20 and 21 having been added by the present paper.

In response to the election requirement dated May 7, 2007, Applicants elect Species III, identified in the outstanding Official Action as corresponding to Figure 10, for further examination on the merits. Applicants reserve the right to file one or more divisional applications directed to the non-elected Species.

As new Claims 20-21 are believed to find support in Applicants' Figure 10 disclosure, no new matter has been added by the present submission of new Claims 20-21 for examination.

Accordingly, examination on the merits of Claims 20-21 is believed to be in order and an early and favorable action is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
